

Partners In Ministry

Fulfilling Christ's Mission in the World

In 2015, ABCOPAD participated in Water of Blessing, a mission trip to Nicaragua providing water filters in the remote village of El Socoroe. The mission trip brought together churches from our own Region, congregations from

the American Baptist Churches of New York State, our International Missionaries Dr. David and Dr. Laura Parajón and the ministry of AMOS Health and Hope (seeking to take action to help address the problems of poverty, disease and preventable death in Nicaragua). This mission endeavor reflected the very best of what it means to be in partnership. This highly collaborative team, working together, installed over 60 water filters, providing a source of clean water for much of the village.

One of the highlights of the trip was spending time with the children. Sadly, many kids will never reach adulthood due to illnesses caused by contaminated drinking water. It was heartbreaking having mothers tell our group about the number of children they lost to diseases easily prevented by simply having clean water to drink. Our team was able to make a difference by sharing the gospel and helping to provide clean water to families in need.

Your gifts to **Partners in Ministry** are touching the lives of children in Nicaragua and many other places around the world. When you give, you make it possible for our Region to assist local congregations who have heard Jesus' call to mission both here in the US and around the world.

Already there are over 10 mission trips planned that will take teams to the Dominican Republic, Haiti, Nicaragua, Mexico, New Jersey and in Pennsylvania and Delaware. Your contributions to **PIM** help make it possible for us to help local churches answer Jesus's call to hands-on-mission. Thank you for your gifts to **Partners In Ministry**.
