

But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth.

Acts 1:8

The Lord Jesus calls us to be people that have our eye to the horizon of a world in need. He calls us to be disciples who care for those not only in our backyard but also those in barrios and barangays throughout the world.

As a Region, we seek to reach the world through partnership with our wider American Baptist family in a variety of ways:

- We partner with other Regions in the planning of joint mission tours (our partnership with ABC of New York State in Nicaragua is an example).
- We partner with International Ministries, American Baptist Home Mission Societies and sister Regions in resourcing the ministries of our brothers and sisters of the churches of the Philippine Baptist Convention.
- We seek to aide our sister Regions by sharing the ways God is working in our midst as a means to encourage them in their 'corner of the Kingdom'.
- We seek to benefit and bless our ABCUSA Family by sharing our time and insights to better the life of our wider American Baptist Family.

It's a part of our Regional Vision ("...to build healthy/vital partnerships with our wider ABC Family."), but more importantly, it's a part of God's Vision for His children to be people who see beyond their own borders to the needs of the world.

Your partnership with us through your financial support of our Regional **Partners in Ministry** offering is vitally important to help us Regionally strive toward the vision that God has given us.

You can give to
