

Building Healthy Partnerships with Churches, Pastoral Leaders and the wider ABC Family to fulfill Christ's Mission in our world

A major strategy of our regional vision is focused on **strengthening and building healthy partnerships with pastoral leaders** in order to fulfill Christ's Mission in our world.

Our Leadership Learning Communities have reached out across ABCOPAD and included over 35% of our pastoral leaders. The LLCs, as they are lovingly called, impact 80 pastors on a monthly basis through 12 different LLC groups and one LLC group of spouses. The aim of our LLC strategy is to encourage personal and professional development.

Our ongoing vision with the LLCs is to help pastors be healthy and vibrant followers of Jesus Christ as well as creative and effective leaders. The pressures of being a pastor are unique. Very few jobs are 24/7.

Staying personally and professionally healthy is an ongoing challenge for pastoral leaders. It is also a huge challenge for their families. Encouraging one another is a powerful tool the Lord has given us in the Body of Christ.
