

CONFERENCE PROJECT

Missionary Katherine Niles, now serving in the Congo, will be our speaker for the 2018 Conference. We will also be collecting items for Katherine to take with her back to the Congo. Items include:

1. Sturdy Children's Shoes, boys & girls, sizes 2-10. Use the clip art on this flier as a guide to purchasing shoes. Shoes price will be around \$5 a pair.

NO FLIP FLOPS

2. Rolls of fiber glass, charcoal colored, window screen available at Home Depot, Lowes, etc. Rolls of 36" x 25' or 50' or 43" x 25' or 50' are most practical for screening on ALL our hospital maternities, operating rooms, wards, they are light weight & fold easily to pack.

3. Good quality stethoscopes and sphygmometers (manual blood pressure cuffs), for nursing students & medical providers. We need 42 combos of these two items. The Conference Team vision is that each Church or Group coming to conference bring one combo. Katherine sent the links below to make the purchase easy for us. Make your purchase and then go to the ABWMOPAD facebook page <https://www.facebook.com/groups/260498810718876/>

and on the **pinned post** at the top, please post your Church or Groups name and purchase of a combo to bring to Conference. When we reach our goal of 42 Combos, we will have a PRAISE THE LORD cyberparty!
