

CONFERENCE PROJECT—CHOOSE & BRING TO CONFERENCE!

Each year your planning team arranges for ways to bless others by asking attendees to bring certain items to conference. We are happy to tell you there are several ways to bless THREE ministries this year!

HOPE UNLIMITED—BRAZIL

Corenne Smith has given a list of needed items. These will be used for resale at the Thrift Shop or as needed for the children. Our rule of thumb is: *'If it is used, is it good enough that you would wear or use it or give it to a good friend.'*

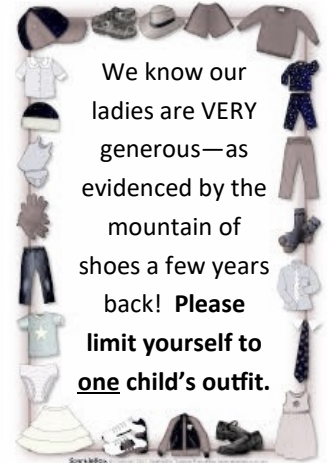

*Costume Jewelry in good repair

*Hand made aprons, crocheted doilies, embroidered items

*Reading glasses—in case if possible

*Children's Clothing item or Outfit—shoes may be included—newborn to age 18
(Average temperature in Brazil is 70 degrees year round)

We know our ladies are VERY generous—as evidenced by the mountain of shoes a few years back! **Please limit yourself to one child's outfit.**
