Camp Judson Fan the flame Campaign

Camp Judson's Capital Campaign is halfway complete in time but not in giving. Will you help? There is **2 ½** years left to give and we are looking for those of you that haven't started giving toward your pledge to please start giving now. We are also looking for 480 new people to give \$1000 over the next **2 ½** years, or \$33.00 a month. This could come from individuals, families, Sunday school classes or even church bodies. If you would like more information please call: **(814) 333-1008** or send your donations to:
