

THRIVE RETREAT 2024 PROJECT

It has become a custom that as our ladies gather for events across PA or DE, we leave a generous footprint behind. Most notable are the larger gatherings where piles of bed linens, paper products, tee shirts, RIT dye or food stuffs might appear, but your leadership wants to encourage each group that gathers to find your unique way to be generous in the place and space in which you meet.

Camp Hebron has given their **2024 Wish List** to help us carry on this generous footprint custom. Let's help make some happy campers!

Duct Tape—Unique colors/designs

Sharpies—Unique colors

Friendship bracelet string
(yes, embroidery floss!)

AAA Batteries

Energizer
