

PARTNERS IN MINISTRY

Fulfilling Christ's Mission in the World

Don't you just like things to work right out of the box?

Little bags filled with nuts and screws and that tiny little hex nut wrench are NOT what we want to greet us when we open the box, but sometimes there is 'some assembly required'.

That's certainly the case when it comes to the work of the church, isn't it? God calls us together with gifts and graces—He provides a vision for how that ministry is to proceed for His Glory, but there is still 'some assembly required'. As congregations, we have to walk the road of discipleship and be God's Salt and Light in the communities where we are called to serve...some 'assembly is required'.

As a region, the heart of who we are is caught up in 'partnership'. We want to walk alongside you and your congregation as you seek to build God's Kingdom—to partner with you in the many ways that the LORD is calling you to live out your faith right where you are, and around the globe.

Please know you're not alone. We stand with you in this walk of discipleship, longing to see your church be all that God intends it to be.

When you support Partners in Ministry, you make that resourcing possible, and for that we say THANK YOU!
