

ABCOPAD Online Giving for Churches Donate to ABC Missions Online

Through a contract with Cashling, a company that processes online financial transactions, we are able to offer an opportunity to support Regional ministry through online donations.

How does online giving work?

Cashling is a company that offers ministries the ability to process online financial transactions. ABC/USA and Christian Community Credit Union developed a relationship with Cashling. Through this relationship, Cashling is able to offer services to related ministry organizations at a discounted rate.

Cashling maintains a secure website where online financial transactions take place. The company also handles each individual's **or church's** financial information adhering to strict guidelines set forth by the federal government. **Cashling will maintain and secure credit card or electronic check information for individual donors.** Cashling has an excellent reputation, a proven history and currently services many ministries and organizations.

Cashling Customers

Cashling is proud to serve small to large business and organizations throughout the country including: ABC/USA, Campus Crusade for Christ, 49 Degrees North, Evangelical Christian Credit Union, Family Life, Full Gospel Baptist Fellowship, Good Steward Books, Promise Keepers, Willow Creek Association, Wycliffe Bible Translators, Youth with a Mission (YWAM)

Why is this being offered?

We recognize the growing number of **churches** who want to contribute to ministry via their credit card or electronic check. It is our hope that this tool will make it easier for these **churches** and their treasurers to financially support the ministries their congregations have identified in their mission budgets.

Why do you need to submit an email address and create a password?

We need the **church's** or treasurer's email address to be able to contact you if there is a problem with your payment. All other information collected is also necessary to process your online transaction. Currently the password helps identify you in the Cashling system. The password allows Cashling to recognize who you are and save you from re-entering all your contact information. If you forget your password, you can simply create a new password and re-enter your contact information. In the future, it will be important to remember your password, as new software, currently in the development stage, will offer donors a chance to look at a history of their giving online.

How does the church get mission credit for their online donation?

Include your **church's** pin number in the Donor ID field. You may contact any of our regional staff if you do not know your **church's** pin number.

Can our church give to any American Baptist Ministry we choose?

Yes. We do ask that if your **church** has never given to a specific missionary or ministry that you contact Caryl Casey (see information below) to be sure that a code exists for them. We are usually able to secure additional/new codes from ABC/USA for new projects, but we want to be able to process your gifts in a timely fashion.

	ABCOPAD - Partners in Ministry
	United Mission
	America For Christ
	One Great Hour of Sharing
	World Mission Offering
	Retired Ministers and Missionaries Offering

If there is a specific category under one of the four major offerings, list that specific item in the comments section of the online donation form. For example, a contribution could be made to One Great Hour of Sharing and in the comments section of the form a donor could include "Haiti Earthquake Relief." In the event that the specified category is not one recognized by the system, your gift will be applied to the general offering selected on the online donor form.

Will we receive a copy of the receipt that has been processed?

Yes. We are beginning this year to e-mail a copy of the remittance that was posted, back to the e-mail address used when submitting the giving, at the close of each month’s missions processing cycle, normally on the 8th of each month. The copies will be e-mailed the following week, to be kept with the church’s records.

Who do I call if I have questions?

Mrs. Caryl Casey is our Regional Treasurer and will be happy to assist you. Caryl's contact information is listed below.
