

Let's be honest. In a society that offers so many competing messages to young people in so many formats, student ministry within our churches can be difficult. It can be exhilarating. It can be discouraging. It can be eye-opening. It can be life giving. Some weeks, it can be all those things all at once. As a ministry partner, ABCOPAD seeks to come alongside our congregations as a companion and encourager as they serve and disciple the young people among them through all these phases.

When you give to Partners in Ministry, you are helping to support ABCOPAD's Regional Ministry Associates for Student Ministries in their efforts to build support relationships and cooperative ministry initiatives. You support ABCOPAD's work to train, equip and encourage those in our congregations who minister to and among the young people. You support a Regional emphasis on providing opportunities where students experience worship and spiritual growth. You support ABCOPAD's Student Ministry Associates in their passion to be there for the leaders within our congregations when they need a listening ear, an encouraging voice, or a sounding board for celebrating joys and victories in their work with youth.

Thanks to your generosity in giving to Partners in Ministry, ABCOPAD's Student Ministry Associates are ready to hear from you and your congregation in how we can best come alongside you as you care for the students around you.

The Regional Ministry Associates for Student Ministry will work collaboratively to support youth ministry throughout the Region, plan events and encourage students and leaders.
