

# Looking for help in the area of Youth Ministry?

One of the wonderful resources our churches have benefited from over the years is to have one of our regional pastors visit with them for coaching, training and overall support.

Many of our churches have had our Regional Pastor for Youth Ministries visit with them to provide:

- Adult Youth Worker Training
- Speaking to Youth
- Youth Ministry Strategic Development
- Help with hiring a new Youth Worker
- Preaching on Sunday Mornings
- Help with Protection Policies and the Screening Process
- Support for crisis situations

Maybe your church has benefited from a visit from our Regional Pastor for Youth Ministry or maybe you are thinking about having him come and visit your church in the near future.

This is possible through the partnership of congregations across the region continuing the mission of reaching teens and children for Christ. Your gift to Partners in Ministry makes a difference!

# Regional Youth Ministries

The American Baptist Churches of Pennsylvania and Delaware believe in Youth Ministries. Rev. Eric Kraihanzel has been serving in ABCOPAD as the regional youth ministry coordinator since 2001. Through Eric's leadership a variety of student ministries have launched, developed and grown. The annual *Reunion* Student Ministries Regional Retreat brings between 250 – 300 youth together from all over the Region. The *Church Leadership Institute Youth Ministry Training* using web-based teaching is helping equip adults as church families launch new ministries to youth. *Protect My Ministry*, a web based Christian screening program has been implemented to help protect our churches as they serve young and old.
