

ABCOPAD Interim Ministry

Trusted Leadership

Why Interim Ministry?

The Christian walk is all about relationships—our relationship with the Lord and our relationship with others. Pastors, as Spiritual

Leaders, provide valuable guidance in both of those relationships. When pastors accept another call retire or become disabled, it can leave a void in that Spiritual guidance. Interim pastors are trained to help a church address five focus points during times of pastoral transition. Interim Pastors can be God's instruments for securing a better and healthier future for the congregation.
